

INCLEMENT WEATHER POLICY REDMOND & SEATTLE

Dear Parents,

During inclement weather, please check the EFGS website related to delays or closures (<http://www.efgseattle.org>):

- ∅ Cancellations will be posted the day before by 9 pm when known and maintained inclement conditions are present
- ∅ Cancellations will be posted by 8 am, at the latest, if same day condition changed dramatically during the night

Unfortunately, and we apologize but we do not have a voicemail.

To insure the safety of our children and staff, it is our policy for classes to follow school district directives with regards to inclement weather:

- Weekday and Saturday classes in Redmond follow in most cases the Lake Washington School District (**LWSD**)*
<http://www.lwsd.org/Parents/Safety-Security/Pages/School-Closure-Decisions.aspx>
*A red alert "flag" will appear on the home page of this Web site above to notify everyone whether school is on a late start schedule, or closed.
 - Saturday classes in Seattle, we will follow in most cases Seattle Public Schools' (**SPS**) announcement made on Friday.
<http://www.schoolreport.org/>
- ∅ Whenever heavy snow, slush and/or ice remain on the roads throughout the day before be prepared for EFGS classes to be cancelled.

Important note: EFGS does not offer make-up days and will not reimburse for missed classes due to reasons beyond our control.

Merci !

EFGS team
